Dear Jennie:- Have been here a week and it seems like a month. How is everything home? Suppose you are having as many drives as ever. Wish I could have one. I do not like the car. We were down to the station to meet George Garrison today & got caught in the rain. We pass this building every time we go down town. When shopping with me last night. I hope we will be able to get around some this week. write to me & tell me all the news.
